GDPR Certification for Chambers Staff

This bespoke online course uses real-life examples to teach chambers professionals how to appropriately manage the personal information they process, as well as how to guide and protect their barristers.

The training is self-directed and is updated frequently with the most recent case law and examples of actions taken by the Information Commissioners Office (ICO). 99% of clerks would recommend our training to a colleague!

Why you need to complete this Certification

- ✓ To protect the reputation of your Chambers
- ✓ To mitigate against ICO fines for inadequate compliance
- ✓ To meet legislative requirements on appropriate, annual training quickly and effectively

Course Features

- ✓ GDPR training module specifically tailored for employees of chambers
- ✓ GDPR exam and certificate of completion
- ✓ GDPR Trained Professional Certification badge
- ✓ 12 months access with flexible, technology-led learning
- ✓ Access to barrister advisory team

"The GDPR certification training was informative & easy to follow and I thought the examples of breaches were very interesting and relevant."

Kathryn Clarkson, Practice Manager Clerking
St Mary's Chambers
